INFORMATIONAL UPDATE ON DRAFT COMMISSION STRATEGIC PLAN AND OPPORTUNITIES FOR PUBLIC COMMENT

INTRODUCTION:

The purpose of this calendar item is to provide the State Lands Commission (Commission) with an update on the draft Commission Strategic Plan and provide an opportunity for public comment. The Strategic Plan identifies the Commission's priorities to protect, promote and enhance the state's valuable public trust and school land resources.

SCHEDULE FOR PUBLIC COMMENT:

The Commission has received public comments at its previous meeting on June 29 and August 19. This is the last opportunity for public comment prior to receipt of the final plan at its meeting on December 18.

RESPONSES:

Commission staff established a dedicated email account, Strategicplan@slc.ca.gov, to receive public comments. A supplementary notice was sent out October 1 to all stakeholders and organizations on the Commission's various email notification lists advising of a deadline of November 1 for submission of comments, where to address those comments and the opportunity for public comment at the upcoming Commission meeting. Results of public comments and those received in writing will be considered in the development of the Final Strategic Plan that will be presented to the Commission for consideration.
